Session Topic:

Join this popular session, as representatives from Fannie Mae, Freddie Mac, and Ginnie Mae take the stage to provide updates, including highlights from the past year and up-to-date changes to requirements that may impact both issuers and custodians. As the mortgage industry continues to change, custodial guidelines/ requirements have to be adjusted to adapt to the diverse portfolios that many lenders originate. This session offers the unique opportunity to hear directly from the agencies the latest updates and future direction of their respective organizations.
