**Bank of America** is one of the nation's leaders in home financing – and we are committed to achieving breakthrough growth by deepening relationships with our customers as well as with our partners. Bank of America is proud of its leadership position:

- Services one out of every 20 mortgage loans
- One of nation's top lenders to minority borrowers
- Most extensive retail mortgage lending network in the U.S. with more than 400 mortgage sales centers and nearly 4,700 banking centers stretching coast to coast
- One of nation's leading wholesale mortgage lenders serving nearly 5,000 brokers nationwide
