WITH GENWORTH MORTGAGE INSURANCE,  
IT'S ALL BUILT RIGHT IN.

At Genworth, we help borrowers buy a home — and help them stay there. By putting less than 20% down, Genworth Mortgage Insurance can help get borrowers in a home years sooner. And our innovative products and services — from pre-purchase counseling to job loss protection to one-on-one assistance — will help keep them secure in that home if times get tough.

In today's market, a safer loan is a smarter loan. Leading to a better experience for your borrowers — and better business for you. **SmarterMI.com**
