Overcome paperwork pileups with

**Interthinx®  
FHA Requirement Solutions**

FHA loans jumped by 48% in just the second quarter of 2008! That means a lot of time spent triple-checking loan docs. At Interthinx, our experts have developed FHA Requirement Solutions. We understand the data verification necessary for compliance and how our products satisfy requirements and/or uncover potential fraud. We can help you limit the risk of missing important facts that could make a loan uninsurable by the FHA. Want to know more? Call now.
