

**“I WAS
CAUGHT BEING
EXCESSIVE.”**

PredProtect Compliance SuiteSM

Using the PredProtectSM loan-level automated regulatory compliance system from Interthinx[®], the investors called my loans into question. I've been charged with making predatory loans and told my fees were "excessive". I thought that was how everyone made money in this business. Turns out the PredProtect system works to prevent compliance violations before the loans are made. Want to know more? Call now.
