

Cast your **VOTE** for a Winning **COMPLIANCE** Program

All eyes are on Washington – and this year's election will bring unprecedented change. With increased regulatory scrutiny and current market conditions, risk management will be a top priority no matter who takes office. Will your compliance management program pass political muster?

Wolters Kluwer Financial Services can help you manage regulatory obligations while controlling the costs of increased regulation. With the latest technology, content, and expert consulting services, we can help you defeat compliance challenges related to HMDA, fair lending, BSA/AML, predatory lending, CRA, FHA, RESPA, and mortgage fraud. Your vote counts – let us show you how to cast it for a winning compliance program.

Stop by our booth and meet presidential candidates, "Barack Obama" and "John McCain." Stuff your name in our "ballot box" and we'll enter you to win a basket full of your favorite presidential movies.
